Annual Report

NEIGHBORHOOD CLINIC

2019

WE love OUR volunteers!

Dear neighbor,

I find it can be overwhelming to give in a season where there is much need and everything seems urgent. The news is filled with tragedies, epidemics, disasters, and injustices. Barriers to success are still abundant for many in the community. At the same time, I find that these reasons are fuel to our fire. Neighborhood Clinic is blessed with neighbors who rally together to do incredible work that changes lives every week -- the literal difference between life and death. Now is the time, as much as ever, to make a real impact.

Thanks to financial partners, volunteer service, and the support of local orgs, we collaborated to meet over a thousand visits from our neighbors in Pierce County this past year. In a time where despair can be rampant, we aspire to bring healing and hope that ripples across the city -- each patient, volunteer, and donor all connected to communities. In this report, we highlight the impact of the work of Neighborhood Clinic in 2019.

Thank you for bringing care, compassion, and hope to Pierce County.

Gratefully,

Benita Ki
Executive Director

Everyone should be able to access healthcare when they need it.

But 468,000 people in the state of Washington do not have health insurance.¹

Over 72% of uninsured people have at least one full-time worker in the family; an additional 11%² have a second part-time worker in the family.

Neighborhood Clinic has been providing free healthcare to those who need it most for over 37 years.

¹ Washington State Office of Financial Management, Washington State Health Services Research Project, Research Brief No. 95, December 2019.

² Kaiser Family Foundation analysis of 2018 American Community Survey (ACS), 1-Year Estimates.

MISSION

Neighborhood Clinic is grounded on the belief that healing occurs where physical and medical care is accompanied by consistent emotional support and a regard for the whole person.

IMPACT IN 2019

AMOUNT RAISED

\$163,830

1144

PATIENT VISITS FUNDED, INCLUDING

1612

LABS TOTALING \$213,520

128

X-RAYS

&

1042

PRESCRIPTIONS TOTALING \$8,073

We thank CHI Franciscan for their ongoing support in providing labs, x-rays, and prescription medications at no cost to Neighborhood Clinic patients.

32 first languages were represented in 2019, the top after English: Spanish, Swahili, Kikuyu, Luganda, & French.

A photograph of a doctor in a red shirt and bow tie sitting at a desk, talking to a patient in a black jacket. The doctor is writing in a notebook. The patient is sitting in a chair and gesturing with his hands. The background shows a medical office with a framed picture on the wall and a stethoscope hanging on the wall.

“Mi experiencia es bueno porque me an tratado vien con amabilidad. Gracias por sus tiempo y amabilidad.”

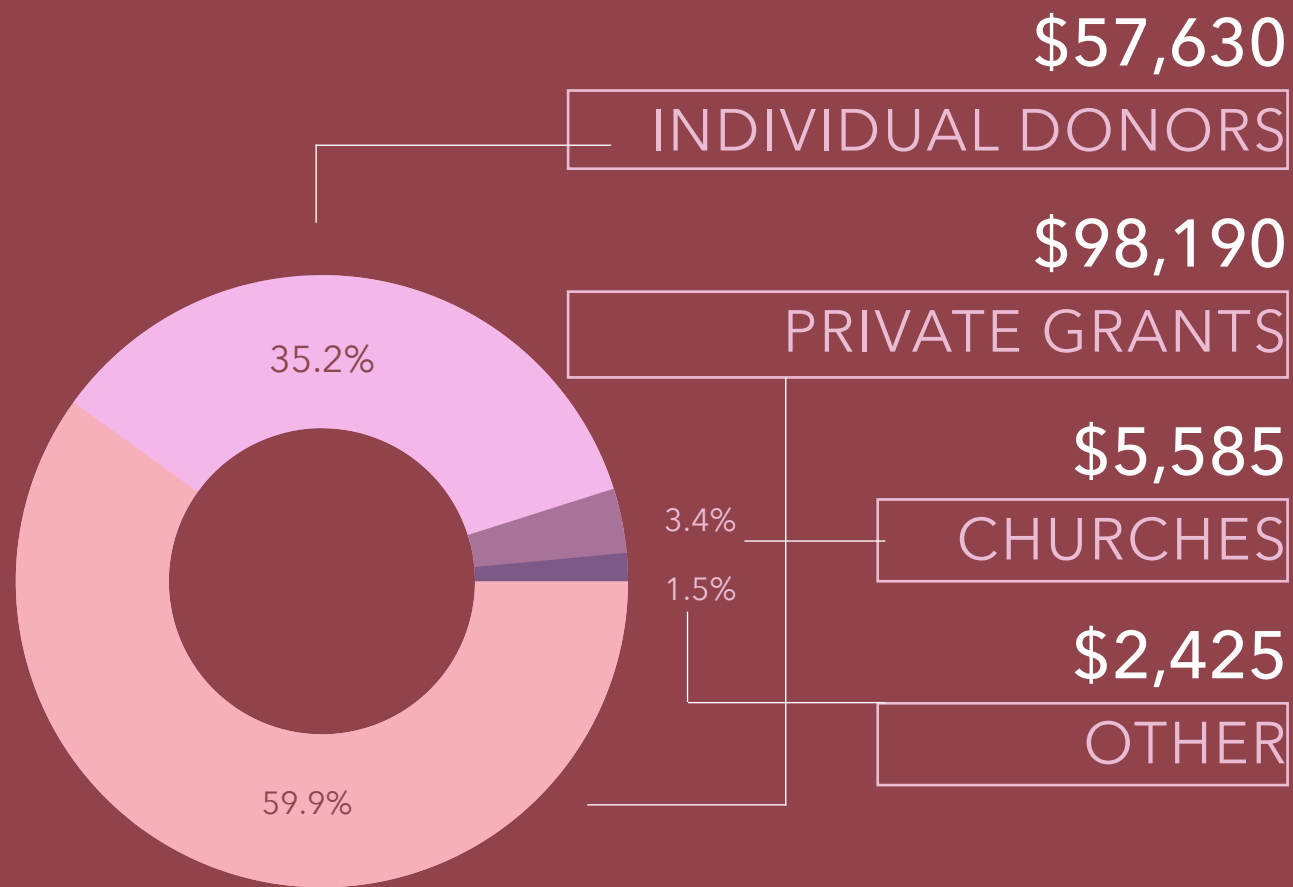

Adelin Torres

My experience was good because you treated me well, with kindness. Thank you for your time and kindness.

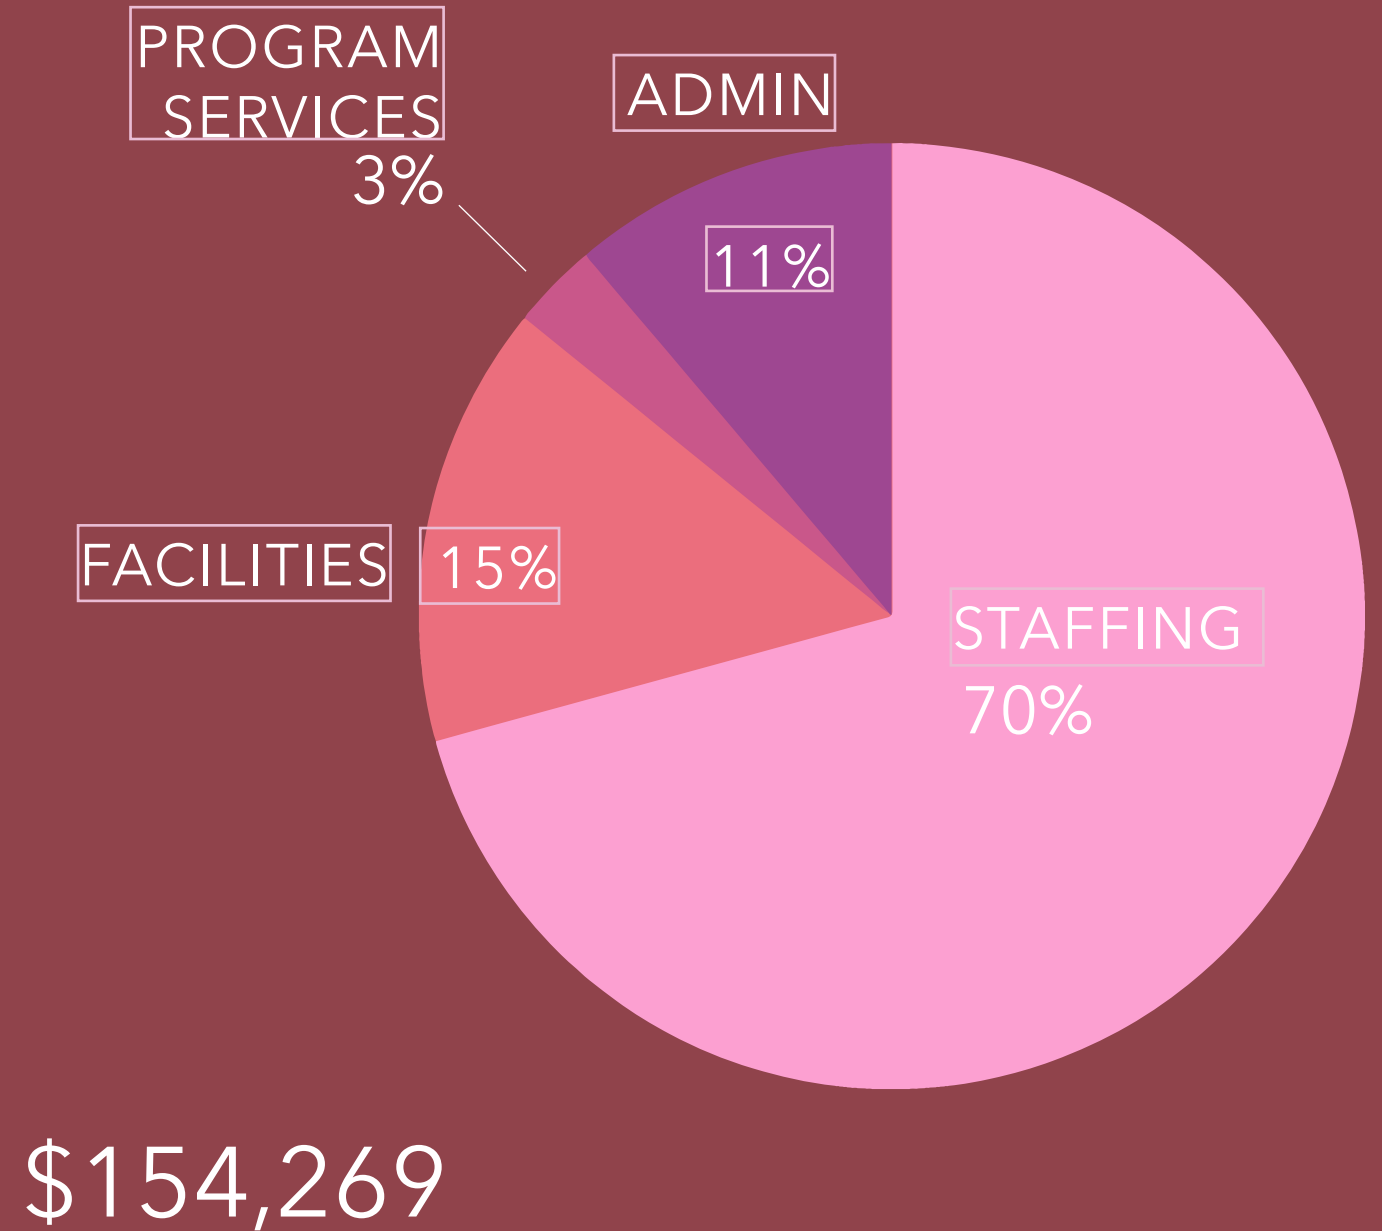

FINANCIALS IN 2019

Neighborhood Clinic relies on the donations of the community to provide healthcare, and we are proud to report another strong year of support.

\$163,830 RAISED

ALLOCATION OF EXPENSES

\$154,269

Neighborhood Clinic runs on a bare bones budget that includes all the same expenses as any clinic. By far, our largest expense is our three part-time staff who oversee all of the clinic's operations.

THANK YOU TO OUR 2019 SUPPORTERS

It's an honor to partner with you.
